Would you, Director Jeffries, take an accountable position?

Dear Director of Arizona Department of Economic Security (DES) Timothy Jeffries;

The attached "Request for Information" letter dated June 3, 2015, is full of confusion, misinformation, unrealistic requirements, threats of changing or stopping my benefits, and makes me appear responsible. Please judge for yourself, does this letter frame me?

Would you, and you alone, please respond in writing to the following questions? This would make you accountable. And not your staff, an advocate, the telephone, etc..

(1) Who is the sender? Who is accountable?

(2) What triggered the letter? Why now?

(3) Why the false statements on page 2 under "We need to verify ..." ?

(4) Why the "You must give us the information no later than 06/18/2015"?

(5) Why the "If we do not get the information and we do not hear from you, we will deny your application or stop/change your benefits"?

(6) Why am I being made to appear responsible?

(7) Why would anyone who has access to records not know that I have no applications outstanding and the only benefit I receive is the automatic, non-adjudicated, VA economic pension for veterans over 65 who live under the poverty line?

(8) What is the intent? Is the intent to take away my VA economic [poverty] pension? This would reduce my annual income from \$12,876 to \$6,792. Is the intent to take control of my home with a lien or something similar to the takeover of my farm in Virginia? <http://www.unknownlien.com> Or both?

(9) If this letter is from the State of Arizona does this mean the State of Arizona will treat me this way from now on?

Sincerely,

Anthony OConnell

Dear Director of Arizona Department of Economic Security (DES) Timothy Jeffries;

The attached "Request for Information" letter dated June 3, 2015, is full of confusion, misinformation, unrealistic requirements, threats of changing or stopping my benefits, and it makes me appear responsible. Please judge for yourself, does this letter frame me? <http://www.tucsonva.com> , <http://www.tucsonva.com/request-info/request-info-home.html>

Would you, and you alone, please respond in writing to the following questions? This should prevent whatever happened to create this letter from happening again. The empirical evidence should not be lost in the confusion of staff, an advocate, non-paper-trail communications such as the telephone, fax numbers, a bar code that identifies my "case", etc.. This would make you accountable. Would you accept this? If you think I am in the wrong in any way please identify it so it can be addressed.

- (1) Who is the sender? Who is accountable?
- (2) What triggered the letter? Why now?
- (3) Why the false statements on page 2 under "We need to verify ..." ?
- (4) Why the "You must give us the information no later than 06/18/2015"?
- (5) Why the "If we do not get the information and we do not hear from you, we will deny your application or stop/change your benefits"?
- (6) Why am I being made to appear responsible? Do the instructions to me make me dependent on sources that have created this letter?
- (7) Why would anyone who has access to records not know that I have no applications outstanding and the only benefit I receive is the automatic, non-adjudicated, VA economic pension for veterans over 65 who live under the poverty line?
- (8) What is the intent? Is the intent to take away my VA economic [poverty] pension? This would reduce my annual income from \$12,876 to \$6,792. Is the intent to take control of my home with a lien or something similar to the takeover of my farm in Virginia? <http://www.unknownlien.com>
- (9) If this letter is from the State of Arizona does this mean the State of Arizona will treat me this way from now on?
- (10) How did my no-applications-pending and my one benefit [VA poverty pension] become the letter dated June 3, 2015? What are the trails from point A to point B?

"Dear Anthony OConnell,

We need the information listed below to decide if you can qualify for the programs for which you have applied. Contact us if you have trouble getting the information we are requesting. We may be able to help.

You must give us this information no later than 06/18/2015. There are several ways for you to give us the information we are asking for below:

1. Log in to your Health-e-Arizona Plus account at 'www.healthearizonaplus.gov' to scan, upload, or email information. OR
  2. Fax your information using the attached fax coversheet to 1-888-372-8777. The fax coversheet has a barcode that identifies your case. OR
  3. Mail your information to: AHCCCS, 801 E. Jefferson Street, MD 3800, Phoenix, AZ 85034
- If you cannot get this information to us by the due date you may be able to get more time. You can request more time by calling the number above.

If we do not get the information and we do not hear from you, we will deny your application or stop/change your benefits."

If you think I have any application pending or have any benefit other than the VA poverty pension, or am in the wrong in any way, please identify it so it can be addressed. Secrecy and look the other way are fatal for me. And it makes the public not trust government. Thank you.

Sincerely, Anthony OConnell

Dear Sir,

Per my original note (*refer below*), if you have any questions regarding receiving benefits, Ms. Deborah Bailey will assist you.

If you have not applied for benefits, I advise you to check your credit record to determine if you have suffered identity theft.

Sincerely,

Tim Jeffries

Director, DES

Mr. O'Connell:

*I am writing in response to your questions regarding the June 3, 2015 Request for Information that you received and to assure you that this Request for Information is not related to any benefits that you may be receiving through the U.S. Department of Veterans Affairs. It is also not an attempt to change or otherwise interfere with those benefits.*

*On February 25, 2014, you applied for medical assistance to the Arizona Department of Economic Security through the Health-E-Arizona Plus website. That application for medical assistance prompted the June 3, 2015 Request for Information, which was sent in order to facilitate the provision of medical assistance, should you qualify.*

*One of our employees, Deborah Bailey from the Department of Economic Security Family Assistance Administration, emailed you on July 9, 2015 to further explain the Request for Information. Please direct all further communications on this matter to Ms. Bailey, who will be happy to answer any additional questions you may have regarding the Request for Information. Ms. Bailey can be reached at 602-771-2796 or DBailey@azdes.gov.*

Dear Arizona DES Director Timothy Jeffries:

Please answer the question - Why do you think I have anything to do with DES?

If you think I receive any benefits from DES please show me the evidence. If you think I have any application pending with DES please show me the evidence. What level of accountability do you accept?

Thank you.

Dear Arizona DES Director Timothy Jeffries:

Please answer the question - Why do you think I have anything to do with DES?

If you think I receive any benefits from DES please show me the evidence. If you think I have any application pending with DES please show me the evidence.

The following is from DES's Marie Barker's email to me dated July 22, 2015, at 10:13am

"On February 25,2014, you applied for medical assistance to the Arizona Department of Economic Security through the Health-E-Arizona Plus website. That application for medical assistance prompted the June 3 , 2015 Request for Information, which was sent in order to facilitate the provision of medical assistance, should you qualify."

If you think this is true please show me the evidence.

Anthony  
Would you be accountable?

Thank you.

Sincerely, Anthony OConnell

(1) Why would this require verbal communication?

(2) What more information do you need? Please be specific.

(3) How did my ""Would you please send me a copy of the document identified below with **February 7, 2012?**" become your "Again I ask for a contact number to reach you so we may offer further assistance in this matter."

(4) Do you want to make me appear responsible for you not sending me a copy?

(5) Why destroy a clear paper trail with verbal communication?

If you are responsible for this letter -

(1) Why do you think I have anything to do with DES?

(2) If you think I receive any benefits from DES please show me the evidence. If you think I have any application pending with DES please show me the evidence.

(3) The following is from DES's Marie Barker's email to me dated July 22, 2015, at 10:13am

"On February 25, 2014, you applied for medical assistance to the Arizona Department of Economic Security through the Health-E-Arizona Plus website. That application for medical assistance prompted the June 3, 2015 Request for Information, which was sent in order to facilitate the provision of medical assistance, should you qualify."

If you think this is true please show me the evidence.

(4) Please tell me why you think I receive any benefits other than social security and the VA economic pension for veterans who live under the poverty line. If you think I receive any other benefit or have any application pending anywhere please show me the evidence.

(5) History suggests that this "Request for Information" letter is a set up to stop my VA economic pension and make it appear as my fault. This would drop my annual income from \$12,876 to \$6,792. This would disempower me.

(6) Disempowering me obstructs me from exposing the accounting fraud described in my websites such as <http://www.FBIspringfield.com>, <http://www.chiefjudgesmith.com>, etc.. Have you been led to believe that obstructing me from trying to expose this accounting fraud is protecting an innocent member of our family? That I'm the bad guy?

(7) There should be some reason for this "Request for Information" letter dated June 3, 2015, that no one takes responsibility for. What is it?

(8) Why do you make it appear that you can't communicate with me?

Thank you.

Sincerely, Anthony OConnell

Dear Director Timothy Jeffries of the Arizona Department of Economic Security (AZDES):

Please tell me if you are responsible for this "Request for Information" letter from an unknown sender dated June 3, 2015. Please give me a "yes" or a "no". VA Director Jonathan Gardner says or implies he is not responsible.

"Dear Anthony OConnell,

We need the information listed below to decide if you can qualify for the programs for which you have applied. Contact us if you have trouble getting the information we are requesting. We may be able to help. You must give us this information no later than 06/18/2015. There are several ways for you to give us the information we are asking for below:

1. Log in to your Health-e-Arizona Plus account at 'www. healthearizonaplus.gov' to scan, upload, or email information. OR

2. Fax your information using the attached fax coversheet to 1-888-372-8777. The fax coversheet has a barcode that identifies your case. OR

3. Mail your information to: AHCCCS, 801 E. Jefferson Street, MD 3800, Phoenix, AZ 85034

If you cannot get this information to us by the due date you may be able to get more time. You can request more time by calling the number above.

If we do not get the information and we do not hear from you, **we will deny your application or stop/change your benefits."**

(Unknown sender to Anthony OConnell, page 1 of 11)

(1) There should be a reason for this letter. What is it? Why now?

(2) Why do you think I have anything to do with DES? If you think I receive any benefits or have any application pending with DES please show me the evidence.

(3) The following is from DES's Marie Barker's email to me dated July 22, 2015, at 10:13am. If you think this is true please show me the evidence.

"On February 25, 2014, you applied for medical assistance to the Arizona Department of Economic Security through the Health-E-Arizona Plus website. That application for medical assistance prompted the June 3, 2015 Request for Information, which was sent in order to facilitate the provision of medical assistance, should you qualify."

(4) I receive two benefits, the VA economic pension for veterans who live under the poverty line, and social security. If you believe I receive any other benefit or have any application pending anywhere please show me the evidence.

(5) Assuming this letter would not change my social security benefit, any change in my benefits would have to be in my remaining benefit; the VA economic pension. There are three pages in the letter titled "Request for Verification of VA Information" and one page titled "Referral for Veteran's Benefits".

(6) Common sense, history, and the shroud of secrecy, suggest this letter is a set up to stop my VA economic pension and make it appear as my fault. This would drop my annual income from \$12,876 to \$6,792. This would disempower me.

Thank you.

Sincerely, Anthony OConnell

We may be able to help. You must give us this information no later than 06/18/2015. There are several ways for you to give us the information we are asking for below:

1. Log in to your Health-e-Arizona Plus account at 'www. healthearizonaplus.gov' to scan, upload, or email information. OR

2. Fax your information using the attached fax coversheet to 1-888-372-8777. The fax coversheet has a barcode that identifies your case. OR

3. Mail your information to: AHCCCS, 801 E. Jefferson Street, MD 3800, Phoenix, AZ 85034

If you cannot get this information to us by the due date you may be able to get more time. You can request more time by calling the number above.

If we do not get the information and we do not hear from you, **we will deny your application or stop/change your benefits.**"

(Unknown sender to Anthony OConnell, page 1 of 11)

(1) There should be a reason for this letter. What is it? Why now? (2) Why do you think I have anything to do with DES? If you think I receive any benefits or have any application pending with DES please show me the evidence.

(3) The following is from DES's Marie Barker's email to me dated July 22, 2015, at 10:13am. If you think this is true please show me the evidence.

"On February 25, 2014, you applied for medical assistance to the Arizona Department of Economic Security through the Health-E-Arizona Plus website. That application for medical assistance prompted the June 3, 2015 Request for Information, which was sent in order to facilitate the provision of medical assistance, should you qualify."

(4) I receive two benefits, the VA economic pension for veterans who live under the poverty line, and social security. If you believe I receive any other benefit or have any application pending anywhere please show me the evidence.

(5) Assuming this letter would not change my social security benefit, any change in my benefits would have to be in my remaining benefit; the VA economic pension. There are three pages in the letter titled "Request for Verification of VA Information" and one page titled "Referral for Veteran's Benefits".

(6) Common sense, history, and the shroud of secrecy, suggest this letter is a set up to stop my VA economic pension and make it appear as my fault. This would drop my annual income from \$12,876 to \$6,792. This would disempower me.

Please respond.

Sincerely, Anthony OConnell

To: Director Jonathan Gardner <jonathan.gardner@med.va.gov>, Director Timothy Jeffries <tjeffries@azdes.gov>

Dear AZDES Director Timothy Jeffries and VA Director Jonathan Gardner;

I don't understand the attached eleven-page "Request for Information" letter I was sent. I don't know what the AZDES, AHCCCS, and VA have in their records about me, but it appears troubling. For example, the following is from the letter's page 2:

"Social Security Retirement, Survivors and Windows Benefits received by Anthony OConnell from 01/26/2014 through 02/25/2014"

"Social Security Disability Income received by Anthony OConnell from 01/26//2014 through 02/25/2014"

"Veterans Administration (VA) Aid received by Anthony OConnell from 01/26//2014 through 02/25/2014"

This is not true. I never applied for or received these benefits. Please show me the justification for this. This is important.

Would you please answer this letter and return it to me so I'll know what is in your records? If you can't wash this letter out with all the power and resources at your disposal, please understand how I can't. Can you see how many years I've been trying to get my Power of Attorney and Living Will out of the VA records? And the VA doesn't recognize it and makes it appear as my fault?

Thank you.

Dear AZDES Director Timothy Jeffries:

Would you please answer some questions about your "Request for information" letter dated June 3, 2014? Page 2 says I received a benefit from 01/26/2014 through 02/25/2014:

"Social Security Retirement, Survivors and Windows Benefits received by Anthony OConnell from 01/26/2014 through 02/25/2014"

"Social Security Disability Income received by Anthony OConnell from 01/26//2014 through 02/25/2014"

"Veterans Administration (VA) Aid received by Anthony OConnell from 01/26//2014 through 02/25/2014"

**Comments:**

1) It took me a while to remember that I received a government check with no explanation that may have been around this time. I cashed it without making a copy and didn't save the envelope. I would like to find out if it was for the 01/26/2014 through 02/25/2014 item described above.

2) What was the amount of the benefit and how and when was it paid?

3) What was the justification for starting the benefit on 01/26/2014? What was the justification for stopping the benefit on 02/25/2014? Please send me copies.

Thank you.

Dear AZDES Director Timothy Jeffries:

Would you please answer some questions about your "Request for information" letter dated June 3, 2014? On page 2 it says I received benefits from 01/26/2014 through 02/25/2014:

"Social Security Retirement, Survivors and Windows Benefits received by Anthony OConnell from 01/26/2014 through 02/25/2014"

"Social Security Disability Income received by Anthony OConnell from 01/26//2014 through 02/25/2014"

"Veterans Administration (VA) Aid received by Anthony OConnell from 01/26//2014 through 02/25/2014"

### Comments:

1) It took me a while to remember that I received one government check (\$147.00?) with no explanation that may have been around this time. I cashed it without making a copy. I would like to find out if it was for the 01/26/2014 through 02/25/2014 items described above.

To: Mr.

2) Was there a payment from each of these three sources? If so, what were the amounts? How and when were they paid? Has AZDES or AHCCCS ever sent me a check? If so when and what for?

3) What was the justification for starting the benefits? Please send me copies of the documents that would explain why these benefits were started on 01/26/2014. What was the justification for stopping the benefits? Please send me copies of the documents that would explain why these benefits were stopped on 02/25/2014.

4) Your letter asks that I fill out forms for the AZDES, the AHCCCS, and the VA. I don't know what the AZDES, the AHCCCS, and the VA, have in their records about me. Why are you asking me? What do you have in your records about the three benefits from 01/26/2014 through 02/25/2014?

5) My annual income in 2014 was \$12,768.00. I received \$6,684.00 from social security and \$6,084.00 from a VA "economic" pension. This VA pension is for veteran's who live below the poverty line. It brings a veteran's income up to the poverty line. The poverty line for me is \$12,768.00. What part of my income would the following from your page 1 apply to?
